

You are OUR PARTNER We are YOUR ADVOCATE.

Our team of problem solvers is here to help you champion daily challenges.

Vantos Health Network is a Comprehensive Managed Care Network of 20,000+ medical health providers and facilities covering the Southeast United States and over 27,000 lives.

Vantos Health Network Supports three lines of business – Medicaid, Medicare, and Employer Self-Funded Health Plans. Just look for the Vantos logo!

Our network is contracted, credentialed, and maintained by **Access Health Services (AHS)** which creates a more collaborative partnership between the payor and the provider.

To Add, Term, or make changes, send a roster to VantosNetworkOps@VantosHealthNetwork.com. Please allow 30 days for us to make the change. Providers can see members from the effective date you provide if it is sent within 30 days of the start date. Contact Jennifer Singleton, our Network Administration Director, with any questions at Jsingleton@accesshealthservices.com or 479-427-1344.
