

# You are OUR PARTNER We are YOUR ADVOCATE

Our team of problem solvers is here to help you champion daily challenges.

Vantos Health Network is a Comprehensive Managed Care Network of 35,000+ medical health providers and facilities covering the Southeast United States and over 23,000 lives.

Vantos Health Network Supports three lines of business – Commercial/Employer Self-Funded, Medicare, and Medicaid Health Plans. Just look for the Vantos logo!

Our network is contracted, credentialed, and maintained by **Access Health Services (AHS)** which creates a more collaborative partnership between the payor and the provider.

To Add, Term, or make changes, send a roster to [VantosNetworkOps@VantosHealthNetwork.com](mailto:VantosNetworkOps@VantosHealthNetwork.com). Please allow 30 days for us to make any changes.
